

Alexis Casey

Alexis Casey is often the first person a parent will have contact with at Duck Pond Learning Center. Alexis handles most of the inquiries and schedules and conducts tours of our program. She also facilitates scheduling both children and staff and she is a master at helping your family determine a flexible childcare schedule that will fit your family's needs.

Alexis is a lifelong resident of Milford and has been an assistant director of Duck Pond Learning Center and Nursery School since 1998. Alexis and her husband, Brendan have one son, Maguire. Alexis has been in the early childhood education field for fifteen years. She majored in early childhood education at Ohio State University and worked as a preschool teacher prior to coming to Duck Pond. She has been an active member of the Shoreline Association for the Education of Young Children and a volunteer for various projects through the United Way, Cystic Fibrosis, Relay for Life, and St. Jude's Children's Hospital. Alexis is often seen in classrooms helping out a teacher, covering a staff member for their break, or reading or singing to the children. She is a woman of many talents!
